

Desert Eagles Model Airplane Flying Club
Executive Board Meeting Minutes 8/30/2006
6:30 PM

- Brent Belnap, Lee Powell, Walter Grasmick and John Oakley present.
- Possible to get district rep. to print a copy of the Alpine Fly-in flyer?
- Regarding our Club Fly-in, should we consider an evening dinner? Or perhaps a pot luck?
- People have been flying at our field who are not members. Should we lock the field access and how to do this? Brent has a gate for \$50. Move the fence from the north side to the south side of the field?
- Policing the field: Three visit limit when accompanied by a member. A sign should be posted for members with the rules listed and stating that this is private property. And provide training for newcomers.
- Club meeting topics: Enforce visitor rule. Enforce noise limit. (Check bylaws for other items.)
- Should we lower the noise level allowed at the field to satisfy noise issues?
- Should put out a letter to all our neighbors listing club contacts in case they have a noise problem.
- Brent will call the AMA for sound limit requirements.
- Put a tag inside each airplane listing noise test results, log number and AMA number.
- Set a date for standardization. Also, explain step in db levels
- Put a notice on our web site for the September meeting. Important meeting on sound issues. Bring airplanes.
- Need check with the membership on the desirability of installing a fixed sprinkler system in the pit area.
