

Desert Eagles Model Airplane Flying Club
Meeting Minutes 07/10/2006 @ 7:35 PM
Location: Flying Field

- Brent Belnap, Walter Grasmick and Lee Powell were the board members present. I forgot–no excuse.
- Brent opened the meeting. Walter gave the financial report.
- Discussed the open house. Asked for volunteers to cook. The grill has been reserved.
- Talked about having a slow stick combat show at the open house.
- Talked about issues with the County, mainly the weed control and the broken irrigation pipe.
- Bliss Wheeler has fixed the pipe but we need to get the ends attached by welding.
- Brent estimates that installing a fixed sprinkler system in the pit area would cost \$500 to \$600. Talked about the time frame and costs. Called for a vote on: To do it and when. Motioned and seconded. Voted to install. Will check finances in September.
- Joe Podany has a Kabota backhoe that might be available?
- Lock on north gate was cut off because it was improperly locked. Need new lock. Emphasized that the lock must be locked **PROPERLY THROUGH THE COUNTY LOCK HASP!!!**
- Open House starts at 8 AM. Planes to be displayed in the area behind the frequency board. The ends of this area will be used for starting planes.
- Watering schedules are setup by Bliss Wheeler and are posted on the Website.
- Asked for volunteers to fertilize the field. Jim Haldy has already done the pit area.
- Jim Haldy demonstrated the proper technique for handling hoses on the field.
- Tye Tomchak will call the mowing contractor to mow on Thursday for the open house.
- Adjourned.

Submitted by the secretary, Russ Crawford
