

**Desert Eagles Model Airplane Flying Club**  
**Meeting Minutes 12/04/2006 @ 7:30 PM**  
**Location: AeroMark**

- Brent Belnap, Walter Grasmick, Lee Powell, Steve Henderson, Elliot Sussman and Russ Crawford were the board members present. About twelve other members also attended the meeting.
- Brent showed the new Desert Eagles jacket and cap. He passed them around and they looked great. Cost for both will be about \$80. See Brent for ordering information. A lady he knows at work has the machine and does the work.
- Brent presented the new board members as follows:
  - President: Walter Grasmick
  - Vice President: Elliot Sussman
  - Treasurer: Steve Henderson
  - Secretary: Russ Crawford
  - Safety Officer & Member-At-Large: John Oakley
- Newly minted president Walter Grasmick stated our appreciation a job well done to retiring board members Lee Powell and Brent Belnap.
- Walter conducted the free raffle of gifts that the club purchased at the hobby shop. There were enough gifts for all members present plus two extra.
- Walter asked Brent to conduct the White Elephant Auction in the very inimitable way that Brent has. It was a blast, particularly when I got my original home-built starter back!!
- Brent stated that he will be doing the news-letter so he needs pictures, stories, etc. from anyone in the club. So take your camera along to the field!
- Don Brooks has set the sound measurement area on the south end of the south part of the runway. Make sure to get the sound meter out of the shed, turn it on and set it to **SLOW RESPONSE** and to **DB A**.
