

**Desert Eagles Model Airplane Flying Club**  
**Meeting Minutes**  
**03/03/2008 @ 7:30 PM Location: Aeromark**

- ! Walter Grasmick, Elliot Sussman, Art Rood, Steve Henderson and Russ Crawford were the board members present. Seventeen other members attended the meeting.
- ! Walter opened the meeting and talked about our “Crash” pizza party where we all had a good time.
- ! Walter also talked briefly about the new park flyer program. We will support any of the park flyers that want or need help, but it’s likely that they will not be very interested in our club activities since we are a little more structured. (Never hurts to try for some converts, however.)
- ! Walter briefly reviewed the board meeting subjects. The PO Box rent of \$40 was authorized to be paid. Dates were picked for:

Spring Field Cleanup -	4/19/08
Open house and Breakfast -	6/21/08
Club Fun Fly -	7/12/08
Fall Field Cleanup -	10/12/08
- ! Walter has E-mailed the other clubs to see if there are any conflicts but has not heard back as yet. Pocatello is hosting the tri-club meet.
- ! Steve Henderson gave the treasurer’s report. We have a checking balance of \$995 and a CD with \$1081.
- ! All club members need to read the club bylaws and give Steve the sign off sheet. The bylaws are available on the club web site. Also copies were available at the meeting.
- ! The new Hobbytown owner and one of his workers gave a presentation about their new hobby shop. They will special order stuff that they don’t have in stock with delivery usually in three business days. They will also do lay-a-ways. They have a free Hobbytown card that is good for \$5 store credit for every \$100 spent. They answered several questions and will look into stocking some items that were suggested.
- ! Steve introduced Greg Long as a new member. Also Lee Beidelmaan and Henry McRae are new members.
- ! Indoor flying will not take place on 3/9/08 but will next happen on 3/16/08, and will take place every other Sunday thereafter. Use the back door at Eagle Rock Junior High School gym.
- ! Oldest airplanes were presented by Elliot Sussman, Art Rood, Jim Haldy, Don Brooks and Russ Crawford. Honors went to Don Brooks for a 1960 vintage aircraft.
- ! The meeting was terminated by a power outage which turned off our lights.
