

Desert Eagles Model Airplane Flying Club

Club Meeting Minutes

08/04/2008 @ 7:30 PM at the Flying Field

- ! Walter Grasmick, Elliot Sussman, Art Rood, Steve Henderson and Russ Crawford were the board members present. Seven other members attended the meeting.
- ! Walter began the meeting and hoped that everyone is getting a lot of flying done because he hasn't been able to do much.
- ! Walter reminded the membership that two seats on the board need to be filled this fall, and to be thinking of potential candidates.
- ! Art introduced Blaine Simmonds and Jack Kostelic as potential new members. Walter introduced Randy Dye as a new member.
- ! Al Tucker asked about the status of the car club. Walter has talked to Dave Binnion and told him that we are waiting for them to make a presentation to the board. We have not yet talked to the County. Randy Dye wants nothing to do with cars. When a vote is taken, the board plans to send a ballot to all members.
- ! Walter received a request from HobbyTown to perform a demo flight at the Duck Race and at the Ammon Days celebration plus one other event. We discussed liability and crowd control issues. Walter asked if anyone was interested.
- ! The Tri-Club fly-in will be Saturday, September 13th. Just come and fly. No food or raffle, etc. Brent Belnap has a notice that he will send to Walter.
- ! Brent is willing to run a float-fly at Rainbow Lake in September or October. He will need some help on this.
- ! Steve gave a brief treasury report. He said that Ron Olson will not accept a check for gas money.
- ! Randy Dye offered to mow the field to save the club the cost of hiring T & T Mowing. He has a 72-inch mower and would leave it at the field for the mowing season.
- ! Steve stated that the control line circle needs mowing because weeds are catching the control lines and causing dangerous situations. He has called to see what the added cost would be.
- ! Jim Haldy invited the members to fly gliders at Community Park this coming Saturday at 9 AM.
