

**Desert Eagles Model Airplane Flying Club**  
**Executive Board Meeting Minutes 01/23/2007**  
**Library at 6:30 PM**

- ! Walter Grasmick, Russ Crawford, Steve Henderson and Elliot Sussman present.
- ! Walter has talked to Don Brooks and he is willing to be our Safety Officer and new board member until the next election. Don replaces John Oakley who has resigned from the board and the club
- ! I have found that the minutes can be changed from Word Perfect to Word format and will be E-mailed in that format henceforth.
- ! We need to meet with the County Commissioners to pay the field lease and to outline the changes we have made in overflight area and noise controls. Walter will set up a date for the meeting. (February 2<sup>nd</sup> ?) Steve will be available on that date.
- ! The AMA club renewal paperwork has not been received as yet.
- ! Walter is getting information from a CPA on the INL request for tax-exempt status.
- ! Steve will ask Brent Belnap to discuss the sprinkler installation planned for the pit area. Also, will ask for comments and approval from the membership at the next meeting. We will need to set a date for the installation work at the April Club meeting.
- ! Elliot will ask John Oakley how he got gravel placed on our road. We need some more if possible.
- ! Steve stated that Sandy Wood is auditing our books for 2006.
- ! There does not appear to be a need for a Building Clinic since everyone is buying ARFs.
- ! Steve will look into the possibility of getting a new metal box fabricated for installation on the side of the shed. Need to remove the old frequency board. Also, need to change signs at the entrances and have them list our web site address instead of old phone numbers that no longer apply. Perhaps we should get a P.O. box for a permanent address. Walter will check the UPS store and Steve will check the Post Office.
