

Desert Eagles Model Airplane Flying Club
Executive Board Meeting Minutes 12/21/2006
Library at 6:30 PM

- Walter Grasmick, Russ Crawford, Steve Henderson and Elliot Sussman present. John Oakley has resigned from the board and the club.
- We have received a W-9 form from the INL. We don't have a tax number because we are "not-for-profit", not "non-profit". Walter will try to get some free advice.
- Steve suggested that we get a yellow vest for our Safety Officer.
- The Board agreed that we would be better off to have a Safety officer and the by-laws allow us to appoint a replacement to the board. Walter will talk to Don Brooks about being our Safety Officer.
- We need to get in touch with the County to pay our lease and to communicate our activities regarding noise and over fly area.
- Henceforth, the board will meet at the Library on the 3rd Tuesday of the month, barring conflicts.
- The next club meeting will be on January 8th. Walter will E-Mail a call-around list to each of us.
- Walter turned over the treasurer's records to Steve and talked about putting some of the older items on a disc.
- Steve will check with Doug and Sandy Wood about auditing our books.
- Don Brooks is working on the signs that we need at the field entrances.
- Steve, as treasurer, will take care of the AMA charter renewal.
- Walter will ask Bliss Wheeler if he will continue field maintenance and watering responsibility.
- Briefly discussed helping the Forbord family dispose of Milo's RC stuff. (I will help with inventory.)
- Apparently, I need to reinstall the lock on the gravel pit gate. Also need to check the canal condition around the pump suction.
