

Desert Eagles Model Airplane Flying Club
Executive Board Meeting Minutes 12/04/2006
Aeromark at 6:30 PM

- Brent Belnap, Russ Crawford, Lee Powell, Walter Grasmick Steve Henderson and Elliot Sussman present. John Oakley was not there due to previous commitments.
- Brent showed the new Desert Eagles jacket and cap that he had made with the club name embroidered.
- The new board members were decided as follows:
 - President: Walter Grasmick
 - Vice President: Elliot Sussman
 - Treasurer: Steve Henderson
 - Secretary: Russ Crawford
 - Safety Officer & Member-At-Large: John Oakley
- Brent will be starting up a news letter that will be posted on on web site. He will be needing all the help he can get obtaining pictures of club activities and, yes, even crashes. May even set up a contest where anyone could get a small prize at Dapco if they are a club member and attended the last club meeting and met some other requirement. A President's Message will frequently be in the news letter along with other articles submitted by the members.
- It may be possible to have a members-only page on the web site with present members names and pictures, for those of us with poor memories.
- Items needing immediate attention are:
 - Field lease fee of \$400 to the County and meet with Commissioners.
 - Renew the AMA Charter including two training pilots.
 - Audit of our books by an independent auditor.
 - Revise our bylaws to include noise and over-fly requirement changes.
 - Need new signs at field entrances and over-fly maps at flight line, including rules.
 - We may want to install fixed sprinklers in the pit area. The plans are done. We ran out of time this year.
- Will Bliss be the lead person for field care? Have to ask?
- The board has been meeting on the 3rd Thursday of each month. We may change this if it is a conflict.
- Plan on leaving the pump in place henceforth. Take the wheels off and place in shed, and get a cover made for the pump.
