

Desert Eagles Model Airplane Flying Club
Executive Board Meeting Minutes 02/27/2007
Library at 6:30 PM

- ! Walter Grasmick, Russ Crawford, Steve Henderson and Don Brooks were present. Elliot Sussman had a previous engagement.
- ! Walter called the meeting to order.
- ! Re. The meeting with the County Commissioners. Walter, Steve and Elliot met with Dave Radford representing the Commissioners. The lease fee for the flying field was paid. Discussed our activities addressing noise and overflight requirements. Also addressed our intent to install a gate and sign at the south boundary entrance to our field. We will need to get County approval to install a gate. Walter had generated a letter of request for such approval.
- ! Steve has rented a PO Box at the Eagle Rock Post Office, ZIP 83405, for \$42 per year. This will furnish permanent contact for mail directed to the club. Funding approval was voted by the club members at our last meeting. Signs at field need to be updated with our WEB address and PO Box address for contacts.
- ! A call around is needed before the next club meeting to remind members that club dues should be paid at the next meeting. Walter will generate a call list for each of us and send them via E-mail.
- ! Advertising is needed for our open house. Four to six weeks advance notice is needed for using newspaper calendars, etc. Perhaps we can talk to Jim David at the meeting about any help.
- ! Joe Mitchell is starting up his own private flying field.
- ! Discussed getting our own pit run gravel for our entrance road – particularly for the low spots.
- ! Perhaps we can get Brent Belnap to take charge of the Tri-Club fun fly gathering. Walter will get with Brent.
