

Desert Eagles Model Airplane Flying Club
Executive Board Meeting Minutes
08/26/2008 Public Library At 6:30 PM

The meeting was held at the IF public library. Elliot, Art, Steve and Walter were in attendance. Russ was on vacation.

1. The general meeting will be on the second Monday of Sept. due to Labor Day holiday. As of now it will be held at the AeroMark meeting room.
2. The grain in the field south of the DEMAFC field has been cut.
3. The car club proposal was discussed, though the D. Bennion formal proposal has yet to be seen.
4. The Tri-Club fun fly is going to be Sept 13/14 at the Poky field.
5. At least two board members will be stepping down at the end of the year. We need two volunteers. Names of suitable persons were discussed. These names came up, in no particular order: Jim Coleman, Scott Allen, Lee Beidelman, Blake Hill, Lee Powell, Gary Williams. We will contact them and see if they will serve the club, prior to the election meeting.
6. No Fly Zones: Art offered to make an accurate map with flight exclusion zones indicated. We will post it prominently at the field and put it into the bylaws package.
7. Next board meeting will be Sept 29
8. Walter talked about flying his SlowStick at the Idaho Falls Duck Races. It was a success and pleased the sponsors.
9. There is a highstart gliders at the park happening. Contact Jim Haldy or Don Brooks if interested. They flew at Community Park and received some interest, plus having a nice quiet flight or two. I talked to a couple of friends who said they saw the gliders there.
